I arranged a Thailand group tour for my mum and dad through Sun Leisure Tours, and I'm really happy with the service they provided.

Everything was very well organised, from the hotels and transport to the sightseeing. My parents were able to enjoy their holiday without any stress, which meant a lot to me.

A big thank you to their tour guide Mr. Chathura. He was kind, friendly, and very helpful throughout the trip. He always made sure everyone was comfortable and enjoying each place they visited. My parents spoke very highly of him and felt very well looked after.

They came back with so many happy memories, and I'm truly grateful to Sun Leisure Tours for making their trip so smooth and enjoyable. I would definitely recommend them to anyone planning a tour.
